Certificate of Completion of Internship

This is to certify that M. Giridhar, Master of Science in Mathematics with Computer Application Student of Bharathiar University, Coimbatore – 641046 has successfully completed an internship in Python Programming & Data Visualization at dturn IT Solutions Private Limited from 5-May-2025 to 5-July-2025.

During his internship, he actively contributed to projects involving Interactive Dashboard Development with Web-Sourced Data, demonstrating strong skills in Python and core Python Programming & Data Visualization techniques.

His key responsibilities included:

- Designing and developing responsive dashboard interfaces.
- Integrating external data sources using Python scripts.
- Visualizing trends and insights with effective graphical representations.

He has shown excellent problem-solving abilities, effective communication, and a keen willingness to learn throughout the internship. His performance and professionalism have been commendable.

We wish him all the best in his future endeavors.

We are pleased to award M. Giridhar this certificate in recognition of his successful completion of the internship program.
